Referees may be asked, politely to move if they are not on a refing circle and they are in the way of a player, the Referee does not have to move, should they not wish to. Refs should however try to be as unobtrusive as they possibly can.

Team Captains

Each Captain is the sole acting voice of that team. All issues directed towards the Competition Coordinator and Referees must come directly and individually from the Team Captain. One or more areas will be designated for these discussions and all such conversations should take place exclusively in these areas.

Team Captains are expected to be fluent with the rules, language, content and intent of all rules and should have any questions, comments or concerns definitively pointed out prior to the beginning of the competition.

Appeals against any decision made by a Referee during the game should be directed solely for the purpose of future reference and should be done so only at the completion of that game. An appeal can only be lodged with the Tournament Coordinator by the Team Captain in writing. Players are not permitted to argue with a Referee.

Base Evacuation

If base areas are defined in the arena, players deactivated within a base area must exit the base area immediately, giving way to all active players at all times.
